

COMPONENT 2

Understanding Media Forms and Products

Music videos and TV

(Y11)

CINEMATOGRAPHY, TECHNICAL CODES & MISE EN SCENE

Students learn about the different terms used for specific camera angles and movements and their effect. Students then study the impact of different uses of lighting and sound, as well as the impact of setting and costume to create meanings.

1

2

CRIME DRAMA

LUTHER & THE SWEENEY

Students study how both of the above meet the genre of Crime drama through setting and characterisation. Students compare historical and contemporary crime drama to comment on how representations have changed over time.

3

MUSIC VIDEOS

T. SWIFT, STORMZY & DURAN -DURAN

Students study a set music video from each artist, including a historical group to comment on changes to videos and representations over time. Students also study the music industry and how artists use online platform to support their success.

4

PAPER 2 MOCK REVISION

Students recall and revise key aspects of Crime Drama and Music videos ready to sit their mock and summer exams. Students will conduct practices in class and be supported through modelling and scaffolding.
